Manhattan Beach Historical Society Membership Through December 31 2010

The Manhattan Beach Historical Society began as a historical committee for the city of Manhattan Beach in October 1970. On October 20, 1977, it was incorporated as a nonprofit historical society. As such, all officers and museum staff are volunteers. The Society's headquarters and museum are housed in the historic 1905 beach cottage in Pollywog Park. Museum hours are 12:00 to 3:00 p.m. on Saturdays and Sundays. Large groups must call in advance for reservations. The museum is staffed by knowledgeable docents who may use the following teaching tools to describe the history of Manhattan Beach to museum visitors:

- Extensive museum displays, memorabilia and photographs
- Historical series of monographs (for sale)
- Old newspaper articles and Series of Video films (for viewing only)
- Free historical flyers

The Manhattan Beach Historical Society also offers bus tours of Manhattan Beach with our historian, Wilmer Drake, discussing the points of historical interest. These bus tours are offered once or twice per year and are available to both members and nonmembers.

Members receive a 10% discount on most purchases from the Society.

Your contribution is tax deductible. Please make your check payable to MBHS and mail with the lower section (under dashed line) to MBHS, P.O. Box 3355, Manhattan Beach, CA 90266.
